

# Your Privacy Rights

## on your PHI

### Individual Access Rights to Personal Health Information:

Upon written request by the verified individual or the designated decision-maker may access and correct your PHI or withdraw or withhold your consent by contacting us (subject to legal exceptions)

**Our Commitment:** We take privacy and security seriously, so we take appropriate steps to protect your PHI/PI from theft, loss and unauthorized access, copying, modification, use, disclosure and disposal. Also, ensure that everyone who performs services for us to protect your privacy and only use your PHI for the purposes you have consented to.
